EDITOR'S LETTER

We really do love our jobs over here at Mayfair magazine, who wouldn't want to spend every working day surrounded by beautiful naked women. We've learnt to live with the smelly fat accountant, he's got his own office anyway! And on the subject of beautiful girls, who have we got for you in this issue of Mayfair? We might as well start with the cover girls, yes you heard us right there's two of them, but you will already have seen them so we're not exactly letting the cat out of the bag! And those in question are of course Stacey Saran and Tommie Jo and they put on one heck of a spectacle bumping and rubbing all sorts of naked body parts against each other. Ooops I've run out of space!

Dear Mayfair,

Last weekend I took my girlfriend, Ashleigh, along to her mates' wedding. She was one of the maids so I didn't really see much of her during the ceremony, and by the time we sat down for the meal, she was pretty pissed – the girls must have been putting it away from the moment they started to get ready!

Anyway, by the end of the night she was paralytic – and incredibly horny! There's something about weddings that makes her lust for dicks, I don't know what it is and I don't really care, as long as they keep making her as randy as this!

So I have to help her up the stairs to our hotel room and all the way there she's telling me exactly what she wants to do to me, grabbing at my crotch every other step. But when we get to our room and I drop her onto the bed, she just rolls onto her front and doesn't move another muscle.

For a moment I thought she was asleep and I'd just have to climb into bed next to her and forget about it, but once I'd got my kit off she says, "Just do me like this," and lifts her dress up until her arse is out. I look at her for a minute, not sure whether she really means it until she says, "Take my knickers off and fuck me up the arse!"

I don't need telling twice! I pull her knickers off and she spreads her legs.

Even from this angle I can see she's very wet. She must have been thinking about fucking me for hours! Ash reached one hand down between her legs and began to rub her own clit and finger her hole, and with her other hand she reached back and pulled her arse cheeks apart. I climb onto the bed and part her legs at the knee. Then I reach down and feel her wet pussy. I can feel her heat before I touch her wetness and I rubbed her juices around her arsehole before rubbing my cock against her snatch to get it nice and lubed up.

Placing both my hands on either side of her prone body, I look down to make sure my dick is going up her arse and not in her cunt and then I try to sink my cock up her backdoor. But even covered in her pussy juice, it ain't easy and I have to reach down with one hand and push my dick in.

"Oh, fuck yeah, that's it!" cries Ashleigh. "Now fuck me good and hard, I want you to come inside me. Quickly!"

She was too pissed for any lengthy sex session, so I fucked her as fast as I wanted to, banging away up her lovely little tight ring. I came moments later, my hot spunk gushing up her dirtbox, and then I pulled out and watched my jizz trickle from her anus, down over her pussy and then drip off her clit onto the sheets. She fell asleep like that and I thought it best to leave her like that till the morning! I fucking love you, Ashleigh, and you're tight little arse!

Dear Mayfair,

I've always wanted to know what it's really like having all your holes full of cock? My husband and I have a very good sex life – we fuck wherever and whenever we can as we are both very randy people, yet for some time now I have been fantasising about a moresome. I want to know how it feels to have a dick in my mouth and a dick up my arse

Dear Mayfair,

What a fantastic photo shoot of Gina the other month. I love my women small and petite with natural breasts. But the thing that gets me turned on the most is a bit of hair down there! Licking out a hairy pussy is the most erotic thing that I can think of doing. I don't get to do it very often, but when I do, I've never failed to make a woman cum in my mouth and all over my face!

Christopher, Perth.

and a dick in my pussy.

I told my husband about this last week and he left the room for five minutes only to return with two of my favourite dildos and a huge grin on his face. That night he fucked my mouth, filling it with his spunk, as he used the sex toys on my arse and pussy and it was an incredible experience, but I want to know how it feels to have every hole gushing with spunk. I don't know if I should push my hubby anymore on the subject as I'm not sure he'd be happy to share me with two other guys, even though he's often talked about wanting to add another woman to our party. Have you ever had three cocks in one go? Was it all that I imagine it to be?

Dear Mayfair,

My lover and I were chilling out on the sofa, eating some strawberries one evening, when she seductively licked the tip of a particularly long thin one with her tongue.

"I love it when you do this to my clit," she said, suggestively moving the strawberry in and out of her soft pink lips.

I was instantly aroused and told her in no uncertain times what I would like to do with the strawberry! With very little fuss she soon had her jeans and knickers off and her legs spread-eagled on the sofa. I started to slowly dip the strawberry in and out of

Dear Mayfair,

It's been a while since I last got to feast my eye's on Atlanta, so please don't leave it so long again. She's been one of my favourite models over the last five years, she really is perfect in every single way. I wish my wife was a bit, well a lot, more like her. But that's never going to happen so I'll just have to keep buying the magazine and spending some quality time all by myself!

Paul, Canterbury.

her delicious fanny, at the same time gently flicking her clit with my tongue.

She was soon in a high state of arousal and begging for something larger to be pushed into her. 'A bit soon for cock', I thought and instead found a nicely rounded chocolate bar to gently slide in and out of her by now nicely moist slit.

Of course, all the heat and friction had soon made a deliciously gooey mess between her legs, which I proceeded to lick away at with enthusiasm. I was soon aching to thrust my throbbing cock inside her, which I did, only to realise that my cock was also covered in the chocolate goo. I quickly withdrew it and my lover had no hesitation in licking and sucking my chocolatey cock.

"Mmm," she said, "my two favourite things in the world - your cock and chocolate!"

God, how I love that dirty and delicious woman!

Dear Mayfair,

My boyfriend read in a magazine that the farthest any man had ever ejaculated was over 15 metres and as soon as he read it he said he wanted to break that record. So he refused to shag me for a week, or even touch his cock except to go for a piss and wash it.

I was well pissed off with him until the week was finally over and he said that I could be the one to 'fire the shot'. Oh great, I thought, he doesn't fuck me for a week and then he reckons I'll enjoy wanking him off while he doesn't even touch me!

"When we got home my spunk was dribbling down her leg to her knee and she scooped it up, licked it off her fingers and asked me if I had any more."

So, I wanked him off, hoping that once he'd shot his load we could get back to normal and he could fuck me properly like any decent boyfriend would. I gave him one of my best hand jobs thinking about the times when I would wank my ex boyfriend off on the common because we couldn't do anything round our parent's homes. It didn't take long for him to come, naturally.

But the silly sod forgot that his bedroom was only 6 metres wide and his spunk went right up the wall and all over his bookshelves! Now he wants me to wank him off next week, out the fucking window!

Dear Mayfair,

The other night I got wanked off in the street right outside my own front door!

I met this bird in a local pub, Vicky. She had long ginger hair and amazing green eyes, with a petite figure and sweet little duds. Anyway, we were getting

along really well and I was pretty sure that I'd get laid after about an hour of being with her, so when the time came to leave I wasn't surprised when she readily left with me.

On the way back to my place, she confessed to me that she really liked wanking guys off in strange places because there was something about watching spunk shooting out of a cock and landing somewhere weird that excited her.

So, when she leaned over me and rubbed her hand against my crotch outside my place I didn't complain! She got me hard very quickly - getting any kind of action outdoors is sexy, let me tell you - before I was even out of my trousers, and then she pulled my cock free of

 **Cara Brett**

On a wet, windy afternoon, we meet up with the gorgeous Cara Brett once again, and as per usual she was only too happy to pop out her 32FF's for everyone to see. But before that she was good enough to show herself off in one of her favourite lingerie set-ups, which, as you can only imagine, had us locked to our seats in awe. There might have been a bit of dribble coming from our mouths and a little bit more presenting itself at the end of our cocks! We're pretty sure she'll have the same impact on all of you too!

my fly and be-gan to wank me off nice and slow.

She kissed me for a bit and I felt up her tits and rubbed my hand over her crotch and then she started talking.

"You have a lovely cock, it feels nice and warm and hard in my hand," she said, rubbing her thumb over my shiny bell end and squeezing my bollocks. I put my hand inside the waistband of her leggings and my fingers found their way down to her pussy, which was nice and wet.

I was loving the hand job she was giving me, but I wanted more, so I peeled her leggings and panties down her thighs and pulled her towards me. She kept her hand on my cock as she rubbed my helmet against her wet pussy lips and clit. It felt great and she started moaning and telling me how wet she was and how she wished she could hold my cock in her hands forever.

I braced myself for orgasm.

Vicky sensed something was about to happen and pointed my cock in the air in front of her. When my spunk flew past her face and landed on a car in the road her face lit up and she slipped a finger inside her pussy lips, wanking herself off at the sight of my jizz splashing all over the street.

When she'd finished, she wiped the come from the tip of my cock, licked it from her fingers, kissed me, put my dick away and told me to call her. I've arranged to meet her on the pier next weekend and promised she can wank me off over the edge!

Dear Mayfair,

I was on the bus on the way home from a club, my girlfriend, Stephanie, sneakily slipped her silky panties off and pushed them into my unsuspecting hand.

"Smell them," she said. They smelled like her cunt and were slightly damp, also like her cunt! I was shocked that she'd done such a filthy thing – she's normally quite shy! Then she took my hand and placed it between her legs. She was really wet, her pussy felt hot to the touch and when I rubbed my fingers gently around her clit she let out a soft moan and closed her eyes, chewing her lip as I frigged her slit.

I fingered her like that for about three stops until she came on my hand, whimpering her orgasm through tightly closed lips.

"Now it's your turn," she whispered into my ear, and unzipped my fly. My dick was so hard by then that I was ready to spunk right away. My girlfriend wrapped her hand around my cock and began to pump my shaft, then she wrapped her panties around my dick and wanked me off into them.

"Come in my knickers and I'll wear them home," she purred into my ear, squeezing my balls lightly and making me come bucket loads.

Then she did exactly that, slipping her sticky panties back up her calves and thighs and pulling the spunky crotch tight against her sloppy pussy.

When we got home my spunk was dribbling down her leg to her knee and she scooped it up, licked it off her fingers and asked me if I had any more. Needless to say, I took her upstairs and fucked her brains out. But the next morning, when we woke, she wanked me off into a fresh pair of knickers and wore them to work!

Dear Mayfair,

It might be really sunny out now, but I had no objections to the April showers earlier this year!

Dear Mayfair,

After seeing Ella Hughes in last month's issue of Mayfair, and also being sent some sneaky pre-view photos from your website of her using that vibrator on her clit ring, it got me so rock hard I must have had three wanks in a row, back-to-back, with no breaks in between. I can't remember the last time I was capable of doing that. Thank you for making this old dog feel like he's got a bit of life left in him. I can't wait to see what you've got in store for me next month.

Lee, London.

My girlfriend's got a fantastic set of tits. They're really pert with nipples that stick out a mile! This is the reason I enjoyed the spring rains so much, because she would go out in the rain in just a summer dress and no bra and the rain would make her nipples rocket out of her top like missiles!

She'd only do it to turn me on, and it did the trick every time. It would start chucking it down outside and off she'd go! "I'm just popping out," she'd say, and I'd know that was my prompt to get ready for some good, dirty sex!

About five minutes later she'd walk back into our flat and stick out her boobs at me, com-plaining that it was raining cats and dogs out there but making sure I could see her nipples clearly.

I'd be on her in seconds, lightly running the palms of my hands over her hard nipples, loving the feel of her teats. I have to peel her wet clothes off her body and then bury my face in her crotch, breathing in the scent of her pussy before I take her upstairs and fuck her stupid.

But what about you? You've got an amazing pair of tits, do you ever go out in the rain with no bra on and get your nipples rock hard? I'd love to see them, or better yet suck them and wank on them!

 **Shay**

Ever had sex in a shower? If not, Shay reckons you ought to give it a try sometime... "Oh yes! It's definitely one of my favourite places to fuck! First of all, you can't beat that soapy smoothness you get on your skin – it really seems to increase your sensitivity so that eve-ry single little stroke and touch is so much more delicious! Then, of course, having the shower spraying down on you is really invigorating anyway, so coupled with the sensa-tions of having sex it makes the whole thing even better! And finally, you don't need to get cleaned up afterwards, everything just washes off!" OK Shay, you've persuaded us. Move over then, here we come...

If you ever want to find out some interesting facts about your favourite model, then look no further than online, where they often like to reveal the most random details about themselves for inquisitive fans. After just a couple of minutes reading I've learned that Sahara here can drive a tractor, carry out complete chemical treatments on swimming pools, break horses, plough fields, fit wooden floors, and is sometimes partial to a bit of roofing. In fact, she sounds like a very useful girl to have around. Sahara also wants to go hunting in the woods, doesn't own a single pair of tennis shoes and has a pet squirrel called Lucky. Who said the internet was useless?

Victoria

Victoria and her statuesque frame is a little slice of heaven for all who love tall girls and endless legs! And we're delighted that she agreed to showcase them in Mayfair. It's not just her glamazon figure that gets us excited over here though, look at her tight arse and tits, who wouldn't want to get their hands on them! And those tattoos stamped just above her knicker line inviting us all to venture further down and help her with whatever personal matter she would let us get involved with! But that's never going to happen is it! "That's a very defeatist attitude you've got there! If you don't ask, you're never going to receive!"

Stacey & Tommie

They say a picture speaks a thousand words and seeing Stacey Saran above as she's just about to lick out Tommie Jo and wrap her lips around her pussy folds doesn't really need any words to describe it! And take it from us they got up to far more than just some gentle licking and sucking, but again, we don't need any words for that, you can use your imagination.

M

Maud Adams

According to the song, nobody does it better than James Bond, and nobody produces Bond pictures better than Cubby Broccoli. Who could possibly doubt his judgement when it comes to choosing his leading lady, the lovely 37-year-old Maud Adams, not once but twice.

For not only is the sexy Swede the wealthy and sensuous Octopussy, the title role of the latest Bond escapade, but she also played the girlfriend of the evil Scaremonger in 'The Man With The Golden Gun'. She's the only girl to have starred in two Bond pictures, and one up on Ursula Andress. We're sure there's no girl you'd rather see in the pages of Mayfair. And we're sure that 007 won't mind sharing her with us just this once (well twice actually). In Octopussy, Maud plays the mysterious owner of the Octopussy Circus, surrounded by an army of loyal and lethal ladies all dressed in black leotards. But Bond discovers that unbeknown to her, the circus is a cover for a more dangerous plot. Octopussy is the first female title role and Broccoli had her in mind from the very beginning. A far cry from her view of herself as a teenager. "I was tall, skinny, flat-chested and everything else I shouldn't have been," she said, but the ugly duckling turned into a very fine swan indeed. At eighteen she won a beauty competition and her first modelling contract followed. It was to lead to a highly successful career as a fashion model, so she moved away from her home on the edge of the Arctic Circle to Paris. Needless to say, she hasn't look back since. But her international fame as a model didn't satisfy her for long and soon she took to acting. After television commercials, under the guidance of Warren Robertson, one of the top drama coaches in America, she broke into films in 'The Christian Liquorice Store' with Beau Bridges. Then after two Canadian films came 'The Man With The Golden Gun' which rocketed her to stardom. Recently, as well as Octopussy, she was seen in 'Tattoo' with Bruce Dern, and Laura, 'Shades Of Summer', as well as on TV in 'Chicago Story'. Maud now lives in sunny Los Angeles but longs to make a film back in Sweden with Ingmar Bergman, one of her heroes. "That and being the first girl to appear in three Bond movies of course," She joked. And judging from these pictures, we reckon it's quite the possibility too!

"It's nice to see a pirate without a wooden leg or hook for a change!"

Bexie

Bexie has always struck us as a bit of a free spirit, with her tales of travelling and wild weekends! So, it comes as no surprise when Bexie confesses she wanted to be an explorer growing up. "I wanted to be Scott of the Antarctic, without the doomed ending!" That's a fair point, and it seems Bexie's woken the explorer in us, as we picture being able to run our hands over her gorgeous body... But that aside, the woman's got a bad case of wanderlust by the sound of it!

M

Quest.....

Reckon it's high time we had some confessions from some of our horny lady readers? Well so do we – and here they are!

E-MAIL: CONTACT@PAULRAYMONDMEDIA.COM

When most people go to a restaurant for dinner, the night usually winds down with coffee and a nightcap or two. Well, I'm not most people. What I am is a leggy blonde who's dripping with high-class bling.

Plus, I'm brazen as fuck, to boot. It's that shameless streak of mine that recently led to a bout of unbridled filthiness at a posh restaurant. I'd arranged to meet a male fuck buddy for a late dinner. I'd booked the table for a mere hour before the restaurant was due to close, as it

was only to serve as a starter for the sexual feast to follow. Well, I was sitting there sipping a Cosmopolitan, getting progressively hornier, when my date called my mobile to grovelingly explain that he'd been unavoidably detained at the office.

"Fine. Enjoy the rest of your life, loser," I said, and cut him off.

How was I going to get my fill of cock now?

A fit waiter in all his liveried glory approached my table. "Oh dear," he said. "May I be so bold as to suggest another drink, miss?"

"Yes you may," I replied. "But I'd rather you were bold enough to bend me over this table and fuck me senseless." I told you I was brazen!

"Well," the waiter said, "if that's the way you like to play it, I can oblige you after hours. Tonight me and my girlfriend have to lock up after the rest of the staff have gone home."

"Girlfriend?" I said. "Interesting... So which one is she?"

"Over there," he said and pointed at a gorgeous blonde waitress. "So are you interested?"

I nodded that I was, pointed at my empty glass and said, "But let's keep that flowing."

Later, when the last staff member had gone, the door locked and the blinds drawn, Henry – the waiter – said, "Okay, assume the position."

"But where's your girlfriend?" I asked, equally as eager to savour her cunt as I was Henry's cock.

"Here she comes now," he answered.

I turned to see her walking towards us from the far end of

"John stabilized us both by grabbing my waist, pulling me hard down onto his cock as he blasted his spuzz up my shuddering bum."

the restaurant – completely naked. Nice. Saying nothing, I did as Henry had asked me to do. I wriggled out of my knickers and pulled my skirt up around my waist to give him a good look at my smooth-shaven gash and tight arse. "Oh yes," he said with relish.

Then he unzipped his trousers, pulled out his swollen dick, and started bumping the head of it against my pussy lips.

I gasped as Henry gently eased his helmet inside my slit. I gasped more when he started quickly popping it in and out of it. As he did so, his girlfriend Lucy – to whom I was never formally introduced – hopped up onto the table and slid in front of me with her legs spread wide and bent at the knees. Then she inched her way towards me until her cunt was directly in front of my face.

It was pretty clear what she wanted, and I wanted it too. Burying my face in her pussy, I drank deep, lapping and smacking my lips as I did so.

By now Henry was fucking me gently but deeply, and it felt incredible. Every now and then he'd grab me by the hips and vary the speed of his strokes. The first time he did so I withdrew my tongue from his girlfriend's cunt and rammed three fingers into its sweet wetness. She let out a yelp of pleasure, and started thrusting herself harder onto my digits.

Then a look came over her face that said she was about to blow – and seconds later she did, in a blur of quivering flesh and squirting juices.

As his girlfriend lay in front of me with her eyes closed, panting, Henry suddenly said, “You ready?”

“Am I ever,” I replied, emphasizing that remark by slamming backward so that his balls slapped against my pussy, his dick buried inside me to the hilt. That’s when Henry finally went into overdrive, slamming his cock in and out of my cunt with a ferocity that took my breath away.

Then I began tingling from head to toe as one of the most amazing orgasms of my life exploded in my twat, flooding my entire body – at the very instant that Henry filled my cunt with jizz. I decided then and there to book a regular table...

There’s nothing in the world I like better than anal sex with my boyfriend. In fact, it was our mutual love of arse-fucking that brought us together, on the day we met at a wedding reception.

Although I’d never spoken to John, I’d seen him around enough times to have taken quite a fancy to him. So when I heard he’d also been invited to the event, I resolved to make a play for him.

I dressed to impress in a tiny pearl pink satin mini-dress, which only just covered up the goods. I also wore stockings and – and here’s the really dirty part – no panties. I knew that I’d be revealing a lot sitting down or bending over in that outfit – and that was the whole point. Inappropriate attire for a friend’s wedding, maybe, but I was on a mission.

Come the big day, I’d made an impression on pretty much everyone there. After the wedding itself was over, the bride and groom made their grand exit, and everyone began the serious business of getting drunk. A marquee had been set up in the grounds, and loaded up with tons of booze, which we guests proceeded to work our way through. As evening fell, I spot-ted John leaving the crowd in the marquee to smoke a cigarette in the garden. At last, my chance.

I quickly caught up to him, and asked for a cigarette. I wasn’t really a smoker, I explained, but these big occasions always made

me nervous. It really didn't matter what I said – he wasn't listening anyway. All his attention seemed to be concentrated on my pubic area as my hem-line fluttered in the gentle breeze, evidently giving him teasing glimpses of my pussy. We ex-changed smiles, and that's all it took – suddenly we were in a clinch. It was quite a petting session – I almost came just from grinding my bare pussy against John's leg. I probably stained his trousers with my pussy juice.

Locked in a clinch, we gave no thought to the few people passing by in the gathering dark-ness. John hustled me off to a secluded corner where there was a low wall, which he sat on with his trousers yanked down. Taking my cue, I squatted down on his lap, ready for action. But even though I was about to fulfil a long-held desire, I still had enough presence of mind to avoid any risk of pregnancy. Since I'd rubbed pussy juice all around my nether regions, I knew that my arsehole would be lubed up enough to take a cock. So I leaned back and pushed my hips forward so that my pucker came into contact with John's helmet. He gasped in surprise, like he'd struck gold – brown gold. Reaching down, I squeezed his balls to coax him inside. Then I clamped my thighs shut, and proceeded to give John the anal rollercoast-er ride of a lifetime.

I propped up my body weight by planting my heels on the edge of the wall, giving me the lev-erage to bounce slowly up and down on his cock. More thanks to my technique than his, John's meat worked up my bum by degrees, and soon I was moaning so loud that any pass-ersby would know exactly what we were up to – not that I could care. Nor, evidently, could John, who pulled down the top of my dress to plant his face between my jiggling tits, making a weird sort of "Mwammawamma" sound.

My balance was so precarious, and my arsehole's grip on John's meat so tight, that each of my upstrokes and downstrokes took a good few seconds to execute. But that didn't stop my orgasm building quickly, and it wasn't long before I was cumming. Cumming so hard, in fact, that the pair of us almost toppled over that wall. Luckily John stabilized us both by grabbing my waist, pulling me hard down onto his cock as he blasted his spuzz up my shuddering bum.

It wasn't just the bride and groom who were united that day, but also me and John. Of course, after that little escapade, we don't get invited to many parties – but as long as we can pursue our shared hobby of public arse sex, we can make our own fun!

"Seconds later she'd torn off her pants and was spreadeagled on Jack's bed. Diving on top of her, I clamped my mouth on her cunt. Then I poked my tongue inside her juicy minge and started slurping."

Call me a bastard, but a few months ago I fucked my best mate's girlfriend.

To be honest, it wasn't something that I'd intended to do, it's just that... well, here's what happened.

As a way of getting acquainted with his new bird Chloe, my mate Jack invited me over to his flat for dinner. When she opened the door on the fateful night, Chloe proved to be exactly as Jack had described her – a cute, innocent-looking girl with platinum blonde hair and a gorgeous little body. "You must be Joe," she said, with a smile that shot tingles through my dick.

"That's me," I replied. "Pleased to meet you, Chloe."

She led me through to the living room where she had a bottle of white wine on ice. "Only two glasses?" I inquired.

"Yes," she answered. "I'm afraid Jack's been held up at work."

"That's a shame," I said.

"Oh, I don't know," Chloe said. "I'm sure we can find something to

help us pass the time."

"That tingle I mentioned? It moved up several notches and gave me a ridiculous hard-on – one that Chloe noticed. "See," she said. "How about that something you've got there?"

"But Jack's my best friend," I said, trying my hardest to look sincere.

"Yes, I know," she replied. "But I'm telling you, what you're packing there puts his cock to shame – and I want some of it."

I thought long and hard about the consequences of what we were about to do should Jack ever find out. Not!

Instead, I said, "Be my guest." Chloe dropped to her knees between my open legs, unzipped my jeans and pulled out my prick. As her lips wrapped around my cockhead, it took some serious control to stop myself cumming within 60 seconds. Her head bobbing on my shaft,

Chloe started wriggling out of her clothes. When she was down to her underwear, she stopped what she was doing and said, "Follow me."

She tasted so sweet, I would've been quite happy to spend the rest of my days down there. But Chloe had other ideas. "Don't take this too hard," she said. "But as much as I like getting eaten, I need your cock in my twat, not your tongue." Then she pulled my head up and

planted a head-swallowing kiss on my mouth. "That was so I could get a taste of myself," she said, grinning like the proverbial cat that got the cream.

Still grinning, Chloe scooted to the edge of the bed, lay on her front and hung her legs over until her toes touched the carpet. Then she spread her pussy flaps wide and said, "You know what I want. You know what I need. I could see it in your eyes the moment we met - so drill me hard, you bastard!"

At that moment I offered up a silent prayer for the values of friendship, and decided to give Chloe the fucking of a lifetime. Two lifetimes, in fact - hers and mine. After all, she'd already proved that she was the kind of girl who wanted to be fucked, as opposed to be made love to.

My instincts have always been spot on about these things.

I jammed two fingers in her twat, then a thumb in her arsehole. I wriggled the fingers inside her slit until they were good and gummy, then I slicked my dick with her stickiness. Penetrating her as deep as I could, I started hammering her to hell and back. Chloe thrust backwards to meet my every stroke, and in what felt like no time we both exploded in a mess of jizz, cunt juice and sweat. Needless to say, neither of us see Jack anymore - but that's a price we're prepared to pay.

Jasmine's 34B-24-36 body in her lacy bra with panty and garter belt set is quite a thing to behold, add to that her sheer black stockings showing off the curves of her legs, and you've got the complete package. What a delight it would be to have those legs wrapped around you while fucking the shit out of her! "Excuse me? Who's fucking the shit out of who here, don't I get a say? I'm a 'take charge' girl so I'll be the one on top riding the cock. Although I do quite like being dominated by a man from behind, the harder the better! And I don't mind the occasional butt slap!"
